

AJIVA INFOTECH PVT LTD

ABOUT US

Ajiva infotech Pvt Ltd is a certified Software Development and Web Development company based in India established in 2019 we are providing IT solutions and IT-enabled services. We have been growing every day since our endowment to meet our clients' increasing demands and exceed their expectations

We give people with innovative ideas the tools they need to succeed. Dedicated to enriching digital experiences by providing innovative and ingenious solutions to small and large-scale businesses. The majority of our clients are business referrals. It feels great to be identified for our efforts. We are excited about the future

We are a team of highly skilled full-stack engineers who specialize in web development, Web designing, and mobile applications. Our objective is to provide end-to-end solutions that are completely in line with our clients' goals and requirements, including full-cycle development of any complexity from the ground up, as well as long-term maintenance and support. We have vast experience in designing and developing numerous websites, ranging from simple theme creation to comprehensive marketplace solutions, membership sites, social networking sites, data management and warehousing, and more
